

Due to the current COVID-19 Pandemic, We are temporarily removing our requirement to Match in order for our Agencies to distribute more choice foods to the public. With that being said, the items available are first call/email, first served. Meaning we pull inventory for orders **AS THEY COME IN**, not by appointment time. All agencies must have or make an appointment with us **BEFORE** they pre-order. SAFB is providing 30 minute appointment time slots to all agencies, THEREFORE you must be on time for your appointment or you will incur a **\$15.00 LATE FEE**.
